● RECOMMENDATIONS

Prof. Dr. Ghulam Murtaza

Muhammad Talha is an outstanding individual with remarkable academic prowess, critical thinking, and hands-on research skills in pharmaceutical sciences. His commitment to excellence and active participation in both academic and research projects make him a valuable asset to any scientific or clinical setting.

Email gmdogar@cuilahore.edu.pk | **Phone** (+92) 3142082826

Dr. Yasser Shahzad

Muhammad Talha is an intellectually sharp and highly motivated individual with a strong academic foundation in pharmaceuticals. His analytical mindset, timely execution, and active participation make him an asset in any research or academic setting.

Email yshahzad@cuilahore.edu.pk | **Phone** (+92) 3364732544

Dr. Waseem Hassan

Muhammad Talha is a diligent and passionate student with a keen interest in neuroscience and pharmacology. His eagerness to learn, along with his ability to grasp complex concepts and engage in research activities, makes him an outstanding candidate for any academic or research-based opportunity.

Email waseemhassan@cuilahore.edu.pk | **Phone** (+92) 3317098808

● PROJECTS

04/09/2023 – 03/06/2024

Formulation of Baricitinib-Loaded Microparticles Gel for Psoriasis

Developed a topical gel using quasi-emulsion diffusion method, achieving 85% efficacy in psoriasis management during in vivo trials. Developed a topically applied gel containing baricitinib-loaded microparticles prepared using the quasiemulsion diffusion method. The gel, formulated with Carbopol 934, triethylamine, and 5% transcutool, was subjected to various in vivo and in vitro studies, including the mouse tail model, to evaluate its effectiveness in managing psoriasis.

04/09/2023 – 03/06/2024

Assessment of Stress Level and Insomnia Among Young Adults

Conducted a study to analyse the correlation between stress levels and insomnia in young adults, highlighting the impact of mental health on sleep patterns.

● CREATIVE WORKS

01/05/2025 – CURRENT
