- Assisted with dispensing and prescription processing.
- Managed pharmaceutical inventory and supported stock control activities.
- Provided patient counseling regarding medication use, administration, and potential side effects.
- Conducted basic health screenings and supported patient care services.
- Assisted with the implementation of pharmacy services and health programs.
- Maintained appropriate medication storage and handling conditions.

EDUCATION

Doctor of Pharmacy (Pharm-D)
COMSATS University Islamabad, Lahore Campus | Lahore, Pakistan
September 2019 – June 2024

RESEARCH EXPERIENCE

Formulation of Baricitinib-Loaded Microparticles Gel for Psoriasis
September 2023 – June 2024

- Developed a topical gel containing baricitinib-loaded microparticles for psoriasis management.
- Used the quasi-emulsion diffusion method for microparticle preparation.
- Formulated the gel using Carbopol 934, triethylamine, and 5% transcutool.
- Conducted in vitro and in vivo studies to evaluate formulation performance and therapeutic effectiveness.
- Utilized the mouse tail model as part of the in vivo evaluation.
- Reported approximately 85% efficacy in the experimental psoriasis model.

Assessment of Stress Level and Insomnia Among Young Adults
September 2023 – June 2024

- Investigated the relationship between stress levels and insomnia among young adults.
- Conducted data collection and statistical analysis to evaluate associations between psychological stress and sleep patterns.
- Examined the impact of mental health factors on sleep quality.

Pharmaceutical and Healthcare

- Pharmaceutical Inventory Management
- Prescription Processing
- Patient Counseling
- Drug Information
- Medication Safety
- Adverse Drug Reaction Information
- Poison Information
- Pharmaceutical Storage and Handling
- Healthcare Data Management
- Healthcare Operations

Business and Commercial

- Business Development

- Lead Generation
- Market Research
- Market Analysis
- Pharmaceutical Sales
- Medical Representation
- Product Marketing
- Key Opinion Leader (KOL) Management
- Customer Relationship Management
- Healthcare Technology

Research and Scientific

- Scientific Literature Review
- Pharmaceutical Formulation Development
- Clinical Research

- Antimicrobial Research
- Cancer Research
- Epigenetics
- Mechanistic Models
- Data Collection
- Scientific Writing
- Research Methodology
- Evidence-Based Practice

Technical

- Microsoft Office
- Microsoft Excel
- Microsoft PowerPoint
- Data Analysis
- Digital Healthcare Platforms
- E-Health and Mobile Health Technologies

PROFESSIONAL MEMBERSHIPS
